I'm a curious mind and I would say that I have never stopped learning; it is in my nature. I'm always evolving my techniques and methodology as an English Coach and my mission is to inspire people to leave their fear of speaking English behind and master their confidence!

## ACADEMIC BACKGROUND

Linköping University, Sweden

*MA in Adult Learning & Global Change*

I have attended this Master's program which pushed my abilities to the limit and honed my expertise and confidence as an edupreneur. The programme won the 2005 Curriculum Innovation Award.

Seminars on Learning Gamification (L.E.G.S. certificate by Ioanna Daidou), N.L.P, Teaching English as a second language

Business & Economic University of Athens, Greece

Master's program in International & European Economic Studies for Business Executives

Panteion University, Greece

Bachelor in Social Sciences, expertise in Social Policy

Private Institution Akmi, Greece

Degree in Journalism, expertise International News

## EXPERIENCE

*My experience is at different workplaces which have offered me deep insight on how important is the right usage of English as well as instant communication showing confidence, especially when working at a multinational level workplace.*

I have worked at the Ministry of Foreign Affairs in Greece, as well as a journalist at an online newspaper (capital.gr), as a front office executive at a marine company, as an English teacher in my own language school in Greece, which I still run.
